Island Park is a wonderful community nestled between "mainland" Long Island and Long Beach, surrounded by water and beautiful coastal scenery—including some of the best bays, boating, swimming, and sunsets on Long Island. Just 1.5 square miles in total, the community is made up of three distinct areas: the Incorporated Village of Island Park to the south, Barnum Island to the east and north, and Harbor Isle to the west. With easy access to mass transit, including buses and the LIRR, as well as Masone Beach, several neighborhood parks, and the beaches of Long Beach just minutes away, Island Park is a truly special place to call home.

Whether you're a summer or year-round resident, or visiting for the great dining, shopping, and services found throughout town, we hope this MapToons serves as your guide to the best of Island Park. The local businesses featured here are proud members of the community and play a vital role in making Island Park such a vibrant place to live. Many are longtime, family-owned establishments—and several offer special discounts just for MapToons readers.
