WELCOME TO Westbury & Carle Place

Dear Westbury & Carle Place Community, Visitors, & Supporters,

Welcome to Westbury and Carle Place — a community built on the pride of those who live here, the dedication of those who work here, and the vision of those who invest in our future.

I am proud to present our 2026 MapToons Community Guide — a vibrant resource showcasing the outstanding businesses, restaurants, services, and organizations that make this community exceptional. More than a map, it is a celebration of the local establishments that drive our economy and define the character of our hometown. Use it to explore, discover, and connect with everything Westbury and Carle Place have to offer.

Every time you choose to shop local, dine local, or support a chamber member, you are directly investing in the strength and future of this community. That choice matters more than you know.

Thank you for your continued support. Together, we are building something lasting — not just a stronger economy, but a community our children will be proud to inherit.

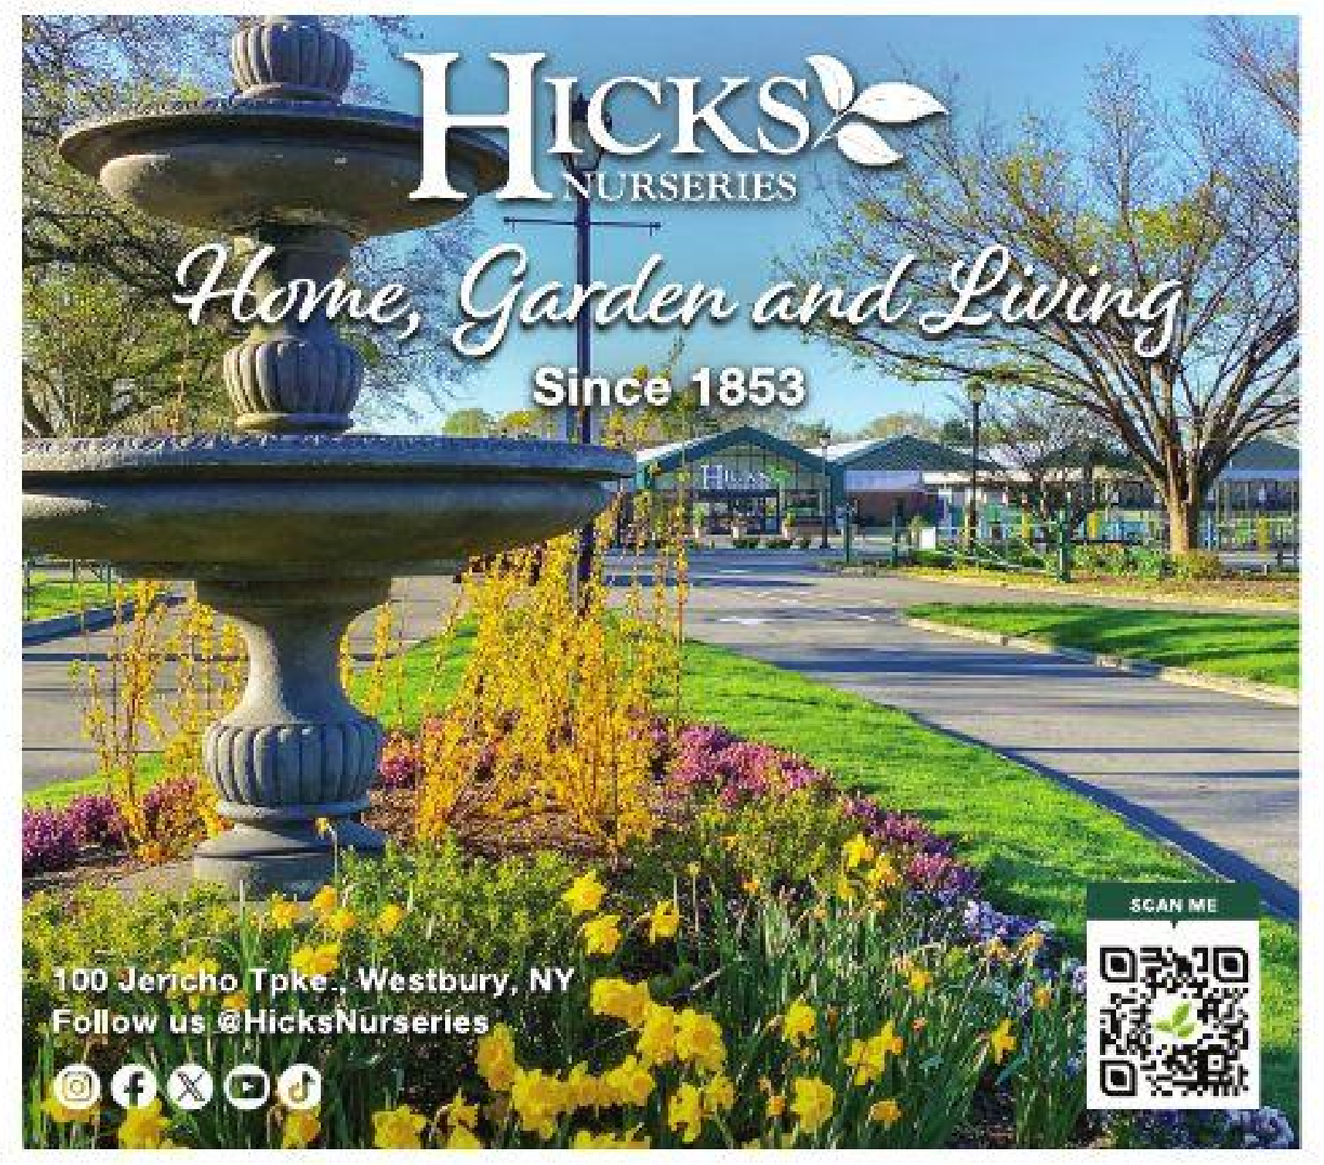

Warmly,
Malcolm Simms
